CUMULATIVE PEOPLE REACHED	PEOPLE REACHED IN 2026	PROGRAMME AREAS	STATES WITH RECORDED ACTIVITIES

Approved description

TIJCEF delivers programmes in health, menstrual dignity and WASH; education, skills and leadership; climate action and community resilience; and research, learning and advocacy. It is based in Jalingo and has recorded activity in Adamawa, Katsina and Taraba States.

Leadership

Founder and Executive Director: Emmanuel Sunday Tijwun. Media requests should be sent to info@tijcef.org with the publication, topic, deadline and interview format.

Accuracy note

Use 3,500+ cumulative people reached, 1,200+ people reached in 2026, four programme areas and three states with recorded activities. Do not reuse figures or retired product/programme names from superseded materials.

PROGRAMME LANGUAGE

How to describe the work accurately

The short pillar names are values. In interviews and articles, pair them with the programme descriptors below so audiences understand the actual work.

DIGNITY	Health, Menstrual Dignity & WASH	School and community menstrual health, dignity support, health awareness and WASH engagement.
AGENCY	Education, Skills & Leadership	Leadership, entrepreneurship, mentoring, education and volunteer development for women and youth.
RESILIENCE	Climate Action & Stronger Communities	Community sanitation, environmental awareness and locally led resilience action.
EVIDENCE	Research, Learning & Advocacy	Monitoring, needs assessment, learning products, responsible reporting and evidence-informed advocacy.

Verified story leads
