PAD-A-GIRL SCHOOL IMPLEMENTATION TOOLKIT

1. INTRODUCTION

The Pad-A-Girl School Implementation Toolkit is a practical guide designed to support schools, community facilitators, and partners in delivering menstrual health education and dignity support for adolescent girls.

It provides a structured approach to improving menstrual hygiene management (MHM), reducing stigma, and ensuring that no girl misses school due to lack of menstrual products or information.

2. PURPOSE OF THE TOOLKIT

This toolkit aims to:

- i. Improve menstrual health education in schools
- ii. Reduce stigma and misinformation around menstruation
- iii. Support distribution of menstrual hygiene products where available
- iv. Strengthen confidence and school attendance among adolescent girls
- v. Equip facilitators with simple, practical teaching tools
